It has been a privilege to represent the people of Mililani and Waipio Gentry in the House of Representatives. I have strived to do my best and work hard for our community. I am very excited about this coming year and respectfully ask for your vote of support.

My wife, Jennifer and son, Daniel are truly happy to be part of our community. This is where we want our family to grow. Like many of you, I want to continue to make the district of Mililani and Waipio Gentry a safe place to enjoy our special way of life, raise our children, work, and enjoy time with our family.

As a licensed social worker, I am determined to interact directly with you in our community. Your concerns are very important to me and I am committed to protecting the best interests of our residents, families, children, and community by utilizing my experience as your representative. I will continue to improve our educational facilities, find ways to address our horrible traffic problems, fight criminal behaviors and our "ice" epidemic, and find ways to reduce wasteful spending and support our economic growth.

Your participation and ideas are important, so I encourage you to share your thoughts with me. I look forward to working with you in making our community a better place for our children. My philosophy is built on openness, involvement, hard work and integrity. Please re-elect me to serve as your House Representative for District 37.
